

## Our Future is in Good Hands

The Marshfield Area Community Foundation's 2009 Scholarship Event was held May 18 at Christ Lutheran Church. We had much to celebrate. MACF has 37 scholarship funds and awarded scholarships to 74 recipients. Our funds are giving over \$50,000 in tuition assistance for the 2009- 2010 school year! To put this in perspective, it was 12 years ago in 1997 that the Foundation presented its first scholarship. The following year we presented four. In 1999 there were fourteen. Now there are 74. We are very proud of the individuals, businesses, organizations, and families who have stepped forward to provide this wonderful demonstration of faith in our young people and belief in the importance of education.

We have award winners from High Schools from throughout our service area- Marshfield, Columbus, Colby, Stratford, Thorp, Wausau West, and even Fort Atkinson High School in Iowa. We have younger students winning dance scholarships from Marshfield, Unity, Pittsville, and Loyal. We have many not so young students to award who are going back to school after a gap in their education. We are proud of their ambition and their dedication to furthering their education.

The Scholarship Event was an opportunity to bring together the students who have earned these scholarships, their families who support them, and friends of the foundation who provide such critical support of this institution. It was a chance for the people who established these scholarships to meet the students who their scholarship will benefit. The scholarship fund holders have made a commitment to the future. They saw the value in investing in the future through educating our youth. This event is my absolute favorite and I think you can see why. These students are our future. It is in good hands.
